BalletCollective's 2016 Season Kickoff

Thu, Oct 27, 2016, 7:30 pm

Celebrate the premiere of the season by exploring James Ramsey's development of the Lowline, the world's first underground park, and Carlos Arnaiz's architectural analysis of a classic shot by NBA basketball legend Allen Iverson.

[About this organization](#)

[BalletCollective](#)

BalletCollective brings together artists, poets, composers, choreographers, and designers to collaborate as equals, exchanging ideas to absorb each others' influence throughout the creation of distinctive works of art. Founded by Troy Schumacher in 2010, BalletCollective has produced the collaborative work of over 30 artists.
